Please email info@hrivending.com for additional information or event questions

EVENT DETAILS

Please join us to support hiring disabled vets!

HRI strongly endorses and salutes the women and men that stand for the country we all love. HRI Vending, is aligned with the U.S. Department of Veterans Affairs, to identify veterans throughout the state of Wisconsin for job placement with us. This event, will raise proceeds through a meat raffle. The proceeds from the event will support additional staff hired for the day.

Proceeds will also support:

- Develop and launch training programs directed toward technical, sales, and administrative positions
- Apply for grant funding to further support our initiatives for veterans
- Purchase administrative and handicap accessible equipment and minor modifications to building
- Enrich mentoring programs in our community.
- Form Advisory Consortium to be seated with military, law enforcement, engineers and research and administrative leaders
- Identify U.S. leaders for job training purposes
- Support for disabled Veterans and their families

We will support the mission and vision of the U.S. Department of Veterans Affairs, all branches of the Military.

If you are interested volunteering that day, it would be appreciated. Raffle tickets can be purchased ahead of time or the day of the event. Winner's will be announced at 4:00pm. Please contact HRI Vending at info@hrivending.com for more information.

This event is organized by HRI Vending Machines
